APPENDIX THREE

ALPHABETICAL LIST OF DEPUTIES

NSW JEWISH BOARD OF DEPUTIES, JULY 1945 TO MAY 1998

While every effort has been made to list all persons who served as deputies between July 1945 and May 1998, unavoidably some names may have been missed. It has not always been easy to ascertain the exact length of time that each deputy served, so this information was not included.

Over the years many people died while still serving as deputies, or even before taking up their seat. These have been listed. But those elected as deputies and who never bothered to take up their seat when alive were omitted if this could be ascertained.
